

## PRAYER OF THE OLD BLACK MEN

To the Sacred Principle of the Whole we invoke, from the most inward of our Conscience, in a way of reverence to the Truth, Love and Virtue, proposing to cooperate with the Legions of the Old Black Men, Indians, Hindus and Caboclos, for the tasks they are asked to perform in the Doctrinal Order.

To the Christ we appeal, as the Planetary Director and Lord of the Seven Echelons in which the Earthly Humanity is distributed, composed by incarnate and discarnate spirits, desiring to offer an efficient collaboration of fraternal character, in the defense of Truth and Justice, against those who, contradicting the Sacred Objectives of Life, surrender to acts that contradict the Law of God.

Conscious of the integrity of Divine Justice, we affirm the most faithful and intense observance of the Commandments of the Law, according to the Divine Example of the Exemplary Word, for all invocative effects. Above alternatives, it will constitute a barrier against Evil, in any sense in which it presents itself, coming from wherever it comes, whomever it may be against, although in defense of the Truth, of Good, and of Goodness.

Consequently, for the kind Old Black Men be granted to reflect in their works, the wise and holy designs of those who, translating the Divine Tutelage of the Planetary Christ, so determine from the High Spheres of Life.

May the legions of Indians, simple, spontaneous, and valorous, always wonderfully linked to exuberant nature, act under the benevolent and rigorous direction of the High Mentors of Planetary Life. Fighting for Order and for Good, for progress in the bosom of Love, may they have from God the due graces.

May the numerous legions of Hindus, deeply connected to the most remote Civilizations of the Planet, forming therefore in the High Courts of Earthly Hierarchy, be granted from the Planetary Lord the due opportunities for them to force, sustain, and impose the Supreme Authority. On this cyclic hour in which the Earth transits from one Era to another, the human Minds may receive the effluvium of Purity and of Wisdom in order to feel the Divine Appeals of the Christ in favor of the Holy Designs of the loving Father that is the divinization of all His sons.

May the legions of Caboclos, humble and kind, so linked to those who go in pilgrimage the incarnation, for effect of expiations, missions, and tests, involve, protect, and sustain everybody, as long as they strive for the sake of Moral, Love, Revelation, Wisdom, and Virtue, since out of this Doctrinal Order there is no Gospel.
